Subject: Removal AOC: Falcon Refinery
Date: 02/25/2003 10:30 AM

Chuck:

I have been out of the office working on the shuttle material pickup or on the 8th floor coordinating those activities. Thanks for your phone call. I would appreciate getting a copy of the AOC for review once it is a completed draft. Thanks. If you need me, call me on my cell at 214.665.6609
